

CALL FOR INTERNATIONAL STUDENT MOBILITY

Erasmus+ Program and Technische Universität Bergakademie Freiberg (TUBAF)

Within the framework of the Erasmus+ program and an agreement signed between “Technische Universität Bergakademie Freiberg” (TUBAF) and the Department of International and Interuniversity Relations, together with the Faculty of Chemistry and Biology of “Universidad de Santiago de Chile”, graduate students are invited to apply for a research internship of 3 months duration, to be carried out at Technische Universität Bergakademie Freiberg, Germany, semester 2-2024 or 1-2025.

Aimed at: regular postgraduate students of the Faculty of Chemistry and Biology whose project has a similarity to research activities at TUBAF.

Exchange duration: 3 months on average

Mobility execution date: S2-2024 or S1-2025

Benefits: 850 Euro/full month of stay; social top-up, if eligible, 250 Euro/full month of stay; 1,500 Euro one-time travel allowance; eligibility criteria for social top-up: student with disability or chronic disease; student travelling with child(ren); working student; student with parents from non-academic background; grant is calculated on a daily basis financed by the European Union through TUBAF.

Capacity: 2

Application closing date: June 1st, 2024

Contact email: camila.gual@usach.cl

Application: complete the online form correctly within the deadline and attach all documents.

Mandatory requirements

- ✓ Be a regular student of a postgraduate program that has a similarity to TUBAF, from the moment of application until the return of mobility.
- ✓ Not have academic or regulatory impediments.
- ✓ Have the support of the program director
- ✓ Have knowledge of the English language

Application documents

- ✓ Regular student certificate
- ✓ Résumé
- ✓ PDF of the identity card
- ✓ PDF of the passport, if you do not have it at the time of applying, you must commit to obtaining it as soon as you receive the selection notification
- ✓ Motivation letter indicating the benefits of the internship in relation to the training and academic aspects.
- ✓ Proof of Academic Support signed by the doctoral program director
- ✓ Letter of recommendation from USACH tutor indicating why you should be selected for the Erasmus+ scholarship
- ✓ Invitation letter from the center or researcher who will be in charge of the internship.

Selection criteria

- ✓ Mobility is part of new areas of research cooperation between universities.
- ✓ Suitability of the proposed mobility for the academic development of students.
- ✓ If the student does NOT pursue a double doctorate: The student has not carried out mobility to the Technical University of Freiberg before.
- ✓ Academic performance of students.

In addition to the selection criteria mentioned above, the inclusion and diversity criteria established in the Erasmus+ program will be taken into account:

https://erasmus-plus.ec.europa.eu/es/programme-guide/part-a/priorities-of-the-erasmus-programme#footnote2_jt5g946

Inclusion

In addition to the aforementioned selection criteria, the following background of the students, duly accredited, will be taken into account:

- ✓ Students with disabilities or chronic illness.
- ✓ Students who study and work at the same time.

- ✓ Students with children.
- ✓ Students from indigenous people.

Postulation:

- ✓ To complete the application form, you must have logged in with your institutional email.
- ✓ You can only apply once, if you try to apply a second time, the form will not allow it
- ✓ Once you submit your application you cannot make any changes, so it is very important that you review it and make sure it is complete and correct before submitting it.
- ✓ Incomplete applications, with outdated or incorrect information or documents (including format differences) will not be reviewed and will not be selected for mobility.
- ✓ Applications after the deadline or by means other than the application form will not be accepted.

The application will be made through the following Application

Form: <https://forms.gle/xsc4ZvaLh8NJhdeM9>

Stages of the process:

After the call closes, your application goes through the following stages:

1. Review of compliance with application requirements.
2. Background evaluation
3. Session of the Selection Commission with members of USACH and TUBAF
4. Delivery of results by personalized email, both for accepted and rejected applications.

Scholarship Payment:

The scholarship is awarded by the European Union within the framework of the Erasmus+ program and the delivery will be made, through Technische Universität Bergakademie Freiberg, directly to the selected student. Funding is usually paid in cash in two rates, one at the beginning of stay, and the second one after the first month of stay. Trainees must have valid health and liability insurance. If students have trouble financing the flight, TUBAF can pay the flight and the costs will be charged from the student's funding. Students have to set up a Learning Agreement for Traineeship which is signed by the student, the home university and the host university.
